We're offering the first Latinx Studies-specific session at the Undergraduate Research Symposium.

We've partnered with MEChA to offer a graduation celebration for Latinx students and their families.

SAIL campers will be able to participate in a Latinx Studies program for the first time this summer.

We partnered with the Latinx Scholars ARC & CLLAS to offer fun events for students every quarter.

We have more than 300 followers on Instagram!

2021-22 ANOTHER GREAT YEAR FOR LATINX STUDIES!

35 current students have declared the minor, and 12 more have graduated!

director: Audrey Lucero
TO DATE, THE PROGRAM HAS AWARDED 5 EXPERIENTIAL LEARNING FELLOWSHIPS

That's 1000 hours that undergraduates spent working on research projects with LTNX Studies faculty!

It also means those 5 students have collectively made $16,000 to learn more about research with experts in their fields.

3 undergraduate students worked as LTNX Ambassadors, doing outreach to their peers and UO community members, and next year we'll hire 5!
